**Sketching and painting walks and wanderings
with local artist Penny Richards**

Penny has wide experience teaching art to both children and adults and has been teaching two day watercolour workshops in her home for ten years.

She leads walks regularly in the countryside around Bath.

This is an enjoyable relaxing one or two days

combining amblings in town or country with sketching or painting.

Although there are none of the pressures of a taught course, help and advice will be on hand if you would like to learn more.

**Complete beginners
and more experienced sketchers welcome**

Minimal equipment required
(list on request)

Walks often begin and end in Keynsham
distance choices of five miles or less
generally on Fridays and Saturdays
(other days and meeting places may be possible)

**Create your own group
and choose your own days**
